

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**CORRECTED  
FISCAL NOTE**

**SB 3853 - HB 3813**

February 22, 2010

**SUMMARY OF BILL:** Requires a Level 2 adult care home provider who serves residents with a traumatic brain injury to hold a professional license or employ a resident manager who holds a professional license as a physician, nurse practitioner, registered nurse, licensed rehabilitation professional, or licensed mental health professional who is trained and experienced in the care and rehabilitation of residents with traumatic brain injury.

**ESTIMATED FISCAL IMPACT:**

On February 15, 2010, a fiscal note was issued estimating a fiscal impact as follows: *Increase State Expenditures – Not Significant/Board for Licensing Health Care Facilities*. Based upon further analysis it was determined that the fiscal impact of this bill has not changed but an assumption used in determining the estimated fiscal impact is:

**Increase State Expenditures –  
Not Significant/Board for Licensing Health Care Facilities**

Corrected assumptions:

- Any necessary rule changes by the Board for Licensing Health Care Facilities will be accomplished during a regularly scheduled meeting of the Board. Any cost can be accommodated within existing resources of the Board without an increase in fee revenue.
- Pursuant to Tenn. Code Ann. § 4-3-1011, all health-related boards are required to be self-supporting over a two-year period. The Board for Licensing Health Care Facilities had deficits of \$440,300 in FY06-07 and \$217,700 in FY07-08. The Board's FY08-09 balance is not yet available.
